

# Employee Involvement Builds Commitment and Unlocks our Potential

**Jennifer** is a valued member of the Vantage Team.

Jennifer is always more than willing  
to go to any line she is asked to,  
and is very knowledgeable in all areas.

She is committed to ensuring she stays until the job is done,  
including starting early and staying for overtime  
when necessary.

When Jennifer sees someone in need of help,  
she jumps in to give a hand.

Jennifer is an excellent example of Employee Involvement  
and a committed member of the Vantage Team.

Keep up the great work, Jennifer!
